Education

Dayananda Sagar College of Engineering

Bachelor of Engineering in Electronics and Communication (CGPA: 7.1)

Oct 2023 – Present

Bangalore, India

Guru Gobind Singh Public School

Class XII — Percentage: 79.2%

May 2020 – June 2022

Jharkhand, India

St. Francis School, Jasidih

Class X — Percentage: 89.7%

April 2010 – March 2020

Jharkhand, India

Relevant Coursework

- | | | | |
|-----------------------|------------------------|-------------------------|----------------------|
| • Applied Physics | • Professional Writing | Lab | (C) |
| • Introduction to C++ | Skills in English | • Data Structures Using | • Social Connect and |
| • Computer-Aided | • Microcontroller & | C++ | Responsibility |
| Engineering Drawing | Embedded Systems | • Data Structures Lab | |

Technical Skills

Languages: C++, MATLAB, HTML, CSS, JavaScript

Tools & Frameworks: Git/GitHub, AutoCAD, MATLAB, Linux, Bootstrap

Projects

Voice-Controlled Car

June 2023 – Present

- Designed and developed a Bluetooth-controlled robotic car using Arduino Uno, motor driver shield, and voice commands for navigation.
- Built the chassis using PVC pipes and optimized wiring for efficient signal transmission.

Net Zero Campus

- Developed a model to calculate total carbon emissions of the campus and proposed methods to minimize it through renewable alternatives.

Image Processing using MATLAB

- Created MATLAB scripts to modify various image parameters including contrast, sharpness, and grayscale transformation.

Objective and Interests

- Keen interest in reading manga, gaming, astrology, cricket, and badminton — fostering creativity, focus, and teamwork.
- A self-motivated and enthusiastic fresher with strong design and integration skills, supported by intuitive problem-solving abilities. Passionate about developing and launching innovative projects, and seeking opportunities to apply technical knowledge while contributing to meaningful engineering solutions.
